## Paver Request Form

The Veterans Commemorative Plaza (VCP) is a veterans' memorial in Phoenix's Northwest Valley honoring United States veterans of all military branches. Any person who served in the U.S. military at any time in history is eligible to have an engraved paver. The VCP is located at the southeast corner of Founders Park Boulevard and Pershing Street in the Marley Park community in Surprise, Arizona.

To purchase a paver, please complete the form, both front and back.

# VCP Paver Request Form

---

Each paver has up to three lines of text and no more than **20** characters per line including spaces and punctuation. Only the initial letter will be capitalized (upper case), for example: Bill Smith not BILL SMITH. The branch of service along with most abbreviated ranks/rates will be all capitalized. If your abbreviated rank/rate has a mixture of some upper and lower case letters, please indicate. If you abbreviate your rank/rate on the second line, there are some spaces to add other information about your service, for example: Medic, 101<sup>st</sup> Airborne, Purple Heart, CCT, etc. Inscription will be engraved on the paver as submitted and will automatically be centered.

**Placement of the paver in the VCP Circle of Honor is not determined by the veteran's military branch of service. Instead, it is placed according to the date it was purchased and received. The placement of the paver begins at the center of the circle and spirals outward. Each of the five branches/sections in the Circle of Honor will have veterans from all services (i.e. a Navy paver may be potentially placed in the Army section). This placement symbolizes that all military services are working together to support the flag.**
